

AD-	<b>One Week Induction Programme Report</b>	Academic Year: 2025-26
Rev:		Semester: I

Logmier/Diploma/Applied Science/2025-26/

Date: 09/08/2025

## **DEPARTMENT OF SCIENCE & HUMANITIES DIPLOMA ENGINEERING INTRODUCTION**

Loknete Gopinathji Munde Institute of Engineering Education & Research, Nashik, conducted a five-day Student Induction Programme (SIP) for its first-year students from 4th to 9th August 2025.

### **OBJECTIVE**

The **One Week Induction Programme** is designed to support first-year diploma students in their smooth transition from school to professional education. The key objectives are:

#### **1. Orientation to Institute and System**

To familiarize students with the institute's vision, mission, academic system, rules, regulations, and campus facilities.

#### **2. Academic Preparedness**

To introduce the diploma curriculum, examination pattern, continuous assessment methods, and expectations from students in technical education.

#### **3. Student–Faculty Interaction**

To build healthy communication and rapport between students, faculty members, and administrative staff.

#### **4. Awareness of Student Support Services**

To inform students about mentoring, counseling, library services, laboratories, e-learning platforms, scholarships, and grievance redressal mechanisms.

#### **5. Development of Life Skills**

To enhance communication skills, teamwork, time management, ethics, discipline, and professional behavior.

#### **6. Social and Emotional Adjustment**

To help students overcome anxiety, build confidence, and adjust socially and emotionally to the new learning environment.

#### **7. Promotion of Values and Discipline**

To inculcate values such as integrity, respect, responsibility, inclusiveness, and adherence to institutional discipline.

#### **8. Safety and Well-being Awareness**

To create awareness about anti-ragging policies, cyber safety, health, hygiene, and personal safety.

#### **9. Exposure to Career Opportunities**

To guide students regarding career pathways, higher education options, skill development, and industry expectations.

#### **10. Encouragement of Holistic Development**

To motivate students to participate in co-curricular and extracurricular activities for overall personality development.

The following report includes the schedule and brief notes on the various events conducted as part of the induction program.

Semester - I

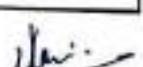

Student Induction Programme (AUG.2025)

Sr. No.	Day/Date	Time	Description	Name of the Resource Person	Responsible person
1	Day-1 4-Aug 2025	10.00 to 10.15	overview of SIP	Prof. Jadhav M.R.	Prof. Bachav P.A. Prof. Nikam V.J. Mrs. Shejwal
		10.15 to 11.15	Inauguration & Introduction to the Institute, vision and mission.	Prof. V.J.Bodke	
		11.15 to 12.00	Address by Principal	Dr. K.V. Chandrade	
		12.00 to 1.00	<b>lunch break</b>		
		1.00 to 2.00	Outcome Based Education (OBE)	Prof. Sushma Punde	
		2.00 to 3.00	Overview of MSBTE and Examination Pattern	Prof. Dharmale S.S.	
2	Day-2 5-Aug 2025	10.00am to 12.00am	Career & Skills Development	Prof. D.B. Pawse	Prof. Joshi P.S. Prof. Dalavi V.S.
			<b>lunch break</b>		
		1.00 pm to 3.00 pm	Expert session-SWOT Analysis & Goal setting	Prof. S.P. Patil	
3	Day-3 6-Aug 2025	10.00am to 12.00am	Expert session- Meditation and stress management	Mrs. Vaishali Shende	Prof. Bachav P.A. Prof. Nikam V.J.
			<b>lunch break</b>		
		1.00 am to 3.00pm	Expert session- Road safety awareness	Mr. Kishor Otar	
4	Day-4 7-Aug 2025	10.00am to 11.00am	Student Support system ERP System, Library	Prof. B.S. Chaudhari Mrs. Shinde	Prof. Joshi P.S. Prof. Dalavi V.S.
		11.00am to 12.00pm	Government scholarships	Mr. R. Vinchur	
		12.00pm to 01.00pm	<b>lunch break</b>		
		01.00pm to 2.00pm	Gymkhana, sports, NSS and other	Prof. C.K. Avhad	
		2.00 pm to 3.00 pm	Mentorship, Counseling, Anti-Ragging	Prof. M.V. Rout	
5	Day-5 8-Aug 2025	10.00am to 12.00am	Campus Tour, Departments, Labs, Library, Gymkhana, sports,	All FY Staff	All FY Staff
		12.00pm to 01.00pm	<b>lunch break</b>		
		01.00pm to 2.00pm	Interaction with Alumni students	Alumni	
		2.00 pm to 3.00 pm	Feedback from Students, Closing Ceremony & Group Photo		
6	Day-5 9-Aug 2025	10.00am to onwards	Industrial Tour		All FY Staff

  
 Prof. Rajendra S.T.  
 Event Co-ordinator

  
 Prof. Jadhav M.R.  
 Head of Department

  
 Prof. V.J.Bodke  
 Diploma coordinator

  
 Dr. K. V. Chandrade  
 Principal

## **Day 1: Orientation and Academic Awareness (4th August 2025)**

The inauguration of the Induction Programme began with an address by the Principal, who warmly welcomed the newly admitted first-year diploma students and motivated them to utilize the opportunities provided by the institute for their academic and personal growth.

Prof. Vijay Bodke elaborated on the Vision and Mission of the Institute, emphasizing the core objectives, values, and long-term goals to help students align with the institutional philosophy. Prof. M.R. Jadhav presented a comprehensive overview of the induction programme, explaining its purpose, planned activities, and expected learning outcomes for the students. The inauguration successfully set a positive tone for the programme by creating awareness about institutional values and preparing students for an engaging and fruitful induction journey.

In the afternoon, Prof. Sushma Punde conducted a session on Outcome Based Education (OBE). Students gained an understanding of Outcome Based Education (OBE) and its importance in engineering and diploma programs. They learned about the principles of OBE, including the focus on achieving specific learning outcomes, mapping Course Outcomes (COs) to Program Outcomes (POs), and continuous improvement through assessment. This session helped students understand how their academic progress and skills will be evaluated based on clearly defined objectives, preparing them to align their learning with industry and societal needs.

after which Prof. S. S. Dharbale provided an overview of the MSBTE and examination patterns. Students gained awareness about the Maharashtra State Board of Technical Education (MSBTE), its role in diploma education, curriculum structure, and the examination pattern. They also understood the internal and external assessment system, grading scheme, and importance of continuous evaluation for academic success.

### Day 2: Skills and Goal Setting (5th August 2025)

The session on Career & Skills Development along with SWOT Analysis and Goal Setting was conducted by Prof. D.B. Pawse and Prof. S.P. Patil on 5th August 2025 at the Seminar Hall (Room No. 121). The program was organized in two sessions. In the morning, the focus was on career opportunities, skill enhancement, and the significance of continuous learning in professional development. In the afternoon, an expert session on SWOT analysis and goal setting was held, where students actively participated in identifying their strengths, weaknesses, opportunities, and threats. The resource persons guided them on how to set SMART goals and align them with their career aspirations. The session was interactive and informative, motivating students to take a structured approach towards their personal and professional development.

## Session II

### Day 3: Stress and Safety Awareness (6<sup>th</sup> August 2025)

Mrs. Vaishali Shende held an expert talk on Meditation and Stress Management, introducing students to techniques for mental well-being. Students understood the importance of maintaining mental well-being through stress management techniques. They learned practical strategies to handle academic and personal stress effectively, improving focus and productivity.

After lunch, Mr. Kishor Otari conducted an informative session on Road Safety Awareness, highlighting the importance of responsible behaviour. Students gained valuable knowledge about road safety, including traffic rules, preventive measures to avoid accidents, and responsible driving practices. This session helped students develop awareness for personal safety and social responsibility.

**Day 4: Student Support and Extracurricular Activities (7th August 2025)**

The student Support System and Anti-Ragging Awareness session was organized on 5th August 2025 at the Seminar Hall (Room No. 121) with multiple sessions throughout the day. The program was conducted by Prof. B.S. Chaudhari, Mrs. Shinde, Mr. R. Vinchu, Prof. C.K. Avhad, and Prof. M.V. Raut. The speakers introduced students to the ERP system for academic records and communication, highlighted the extensive library resources, and guided them on applying for government scholarships. Information was also provided about gymkhana, sports activities, and the role of NSS in personality development and social service. Mentorship and counselling support for academic and personal issues were explained in detail. The session concluded with an orientation on anti-ragging laws, disciplinary actions, and the importance of a respectful, inclusive campus culture. The sessions were highly informative and interactive, enabling students to understand the support systems available and the significance of responsible student conduct.

**Photographs (with Geo-tag):**

## Day 5: Campus Tour and Alumni Interaction (8th August 2025)

As part of the student induction program, a comprehensive campus tour was organized to introduce students to the various facilities available in the institute. The tour covered academic departments, well-equipped laboratories, the central library, gymkhana, and sports facilities. This enabled the students to gain first-hand knowledge of the resources provided for their academic growth and overall development.

In addition, an interaction session with alumni was conducted, where former students shared their experiences, success stories, and career journeys. This platform allowed new students to seek guidance, understand possible career paths, and get motivated by the achievements of their seniors. The session proved to be highly encouraging and informative for the participants.

Finally, the program concluded with feedback collection, a closing ceremony, and a group photo session. Students expressed their views and suggestions about the induction program, which will help in improving future activities. The closing ceremony created a positive and memorable end to the event, while the group photo captured the spirit of unity and belonging among the students.
