Outcomes of activity	1. The session helped students understand the importance of managing personal finances effectively. 2. Students gained basic knowledge about budgeting, saving, and responsible spending.
Targeted participants	120 (100%)
Total no. of participants (Participation %)	114 (95%)
Content of the activity	The session covered fundamental financial concepts that are essential for students in their daily lives and future careers. It highlighted the importance of financial planning, saving for future goals, and understanding simple concepts like interest, loans, and investments.
Relevance to POs	PO7: Life –long learning- Encourages students to develop continuous learning habits related to personal financial management.
Relevance to PSOs	PSO1: It helps students develop essential life skills that support their personal

	and professional development. The awareness of financial planning and fraud prevention also helps them become responsible and informed individuals.
Methodology used	Power Point presentation Discussion.
Brief Description of the Activity	A guest lecture on financial literacy was organized for first-year diploma students to create awareness about the importance of managing personal finances effectively. The session covered basic financial concepts such as budgeting, saving habits, banking services, digital payments, and financial planning. The lecture also highlighted the importance of developing responsible financial habits at an early stage. The session was interactive, and students actively participated by asking questions and clarifying their doubts regarding personal financial management.
